Who is Sai Baba?

*“All Religions are Facets
of the Same Truth”*

Sri Sathya Sai Baba

Sri Sathya Sai Baba is one of the most revered spiritual masters alive in the world today. He is quietly transforming the world by re-establishing the eternal values of truth, love, righteousness, peace and non-violence in everyday living.

Sai Baba has millions of followers throughout the world. Although he has never set foot in the western world, thousands of followers of varying faiths and races congregate every week to sing the glories of God and spread his message of Love to unite all mankind.

Who is Sri Sathya Sai Baba?

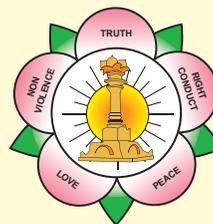

Sri Sathya Sai Baba was born on November 23, 1926 in the village of Puttaparthi in Southern India. He has established his Ashram there which is known as “Prasanthi Nilayam” or “The Abode of the Highest Peace”. Millions of spiritual seekers visit the Ashram every year to receive his Divine blessings.

As a child, Sri Sathya Sai Baba demonstrated the qualities of compassion, wisdom, the desire to serve others and great respect for elders. He also displayed remarkable miraculous powers and knowledge, and talent in drama, music and dance. He could quote from and discuss the spiritual texts without ever having studied them.

As the early age of fourteen, he left his brother’s home where he lived and declared that he had work to do and that his devotees were calling him. He has declared his Mission in the following terms:

“I have come to light the lamp of Love in your hearts, to see that it shines day by day with added lustre. I have not come on any mission of publicity for any sect or creed or cause, nor have I come to collect followers for my doctrine. I have come to tell you of the Universal unitary faith, the path of Love. Believe that all Hearts are motivated by the One and Only God, that all names in all languages and all forms man can conceive, denote the one and only God. Cultivate the attitude of oneness between people of all creeds, all countries and all continents. This is the message of Love I bring.”

The Teachings of Sai Baba

The teachings of Sri Sathya Sai Baba are universal and simple. They are based on five fundamental human values; Truth, Righteous Conduct, Peace, Love and Non-violence. These values are espoused by all the great religions of the world. By faithfully practicing these values in daily life, individuals can rise to their highest spiritual potential. Thus the pursuit of Truth will lead to Righteous Conduct; Righteous Conduct promotes Peace; Peace enables one to Love; and Love is God.

Sai Baba says that all religions are facets of the same Truth. Through Love and understanding, Baba encourages us to forge unity of all people regardless of race, religion, colour or gender.

Sai Baba emphasized that all human beings are inherently divine. Like lost children, we have forgotten the art of living in harmony with our true nature. We have a birthright to regain this heritage. Baba is here on this earth to remind us of our roots. He is teaching us by example that, through practice of Love, compassion, generosity, forgiveness and sacrifice, all mankind can join together and usher in a new era of peace and harmony in the world.

Said Baba has come to reinforce our faith in our respective religions, and faith in ourselves and in the One All-Pervading Supreme God. He says:

“Let the different faiths exist; let them flourish; let the glory of God be sung in all languages and in a variety of tunes. Respect the difference between the faiths and recognize them, so long as they do not extinguish the flame of Unity.”
Among Sai Baba’s followers can be found people of all faiths – Christians, Buddhists, Muslims, Hindus, Jews, Zoroastrians, Jains, Sikhs and others. At his Ashram people of all these faiths and of all races and colours from all parts of the world gather together to receive his blessings.”

What is the Sathya Sai Organization?

The Sathya Sai Organization is a Spiritual one; it recognized the fundamental unity of all the religions of the world. It has branches in over 120 countries around the world. It is a non-political and non-profit Organization.

The main unit of the Sathya Sai Organization is the Sai Centre. There is a Sai Centre in every major city in Canada. Each Centre promotes spiritual, educational and community service activities.

The Organization provides a forum where spiritual aspirants learn spiritual values. It is a training ground where members practice the teachings of Baba, with special emphasis on loving service to others. The Organization seeks to purify the individual’s heart and mind and enables them to see all people and objects as reflections of God. By spiritually transforming the individual, the Organization seeks to transform the world.

“The Sai Organization is simply a gathering together of people who have a common goal in personal spiritual development.

The Sai Organization should be motivated by love. You join the Organization both to give, to receive, to progress, to learn, to become inspired and to serve.

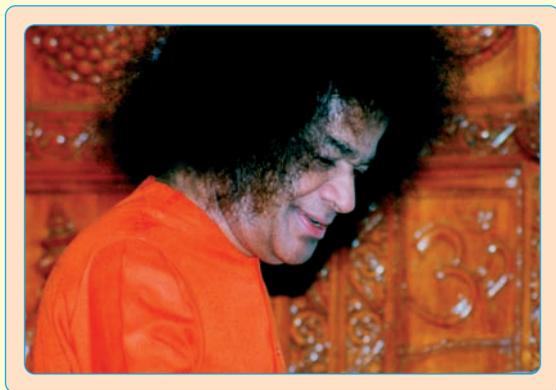

The Organization itself is not important; it only provided an opportunity for men, women and children of all faiths to gather together and find the way to progress along the spiritual path and to help others on the same journey.”

Objectives of the Sai Organization

The principal objectives of the Organization are:

- To help individuals to become aware of the divinity that is latent in them and conduct themselves accordingly, so that they may achieve the ultimate goal of spiritual enlightenment.
- To translate into practice in the individual's daily life, Divine Love and perfection and thus to fill his life with joy, harmony, beauty, grace, human excellence and lasting happiness.
- To ensure that all human relations are governed by the spiritual principles of Truth, Righteous Conduct, Peace, Love, and Non-violence.
- To propagate and put into practice the Teachings of Sri Sathya Sai Baba.

These objectives can be achieved by the observance of the following four principles:

There is only one religion; the religion of Love.

There is only one language; the language of the Heart.

There is only one race; the race of Humanity.

There is only one God, and He is Omnipresent.
